Long Beach Community College District Board of Trustees elections are this April 10.

Our Faculty Association has endorsed Uduak-Joe Ntuk in his race for LBCCD Board, Area 1 against longtime incumbent Jeff Kellogg.

An LBCC and CSULB alum, Uduak-Joe is currently a CSULB professor and an Administrator with the City of Los Angeles.

He has received endorsements from the Long Beach Firefighters Association, California Nurses Association, a number of local unions, Long Beach City Councilman Rex Richardson, and U.S. Congresswoman Nanette Diaz Barragán.

Funds raised from the event will go to assist our PAC effort to elect Uduak-Joe.
