These Standing Rules are principles and guidelines adopted by the Long Beach City College Faculty Association Executive Board to reach our long-term goals. These standing rules also are meant to provide a clear understanding and guidance to answer questions not fully articulated in the bylaws. These standing rules and procedures are the specific methods we employ to express action in our day-to-day operations. Together with the by-laws, the standing rules ensure that a point of view held by the governing body of an organization is translated into steps that result in an outcome compatible with that view.

Standing Rules can be changed by a simple majority vote of the Executive Board and may not be set aside by any individual officer or member of the Association.
